## Overview

---

Lighter, swifter and multi-purpose, this juggernaut is your perfect companion for adventurous escapades. The 55 S offers not just superior quality, comfort, and performance, but an added advantage of extra space to accommodate your friends and your playthings. The change one alphabet can create is truly astonishing. The central console concept renders additional room for walking, conversing, and relaxing on the deck. Similarly, the lower decks furnish sleeping arrangements for as many as four people, along with a fully equipped bathroom. The ample storage area for sporting equipment enhances the user-friendliness of the Wajer 55 S. The Wajer 55 S has been thoughtfully designed in association with Sinot Yacht Architecture and Design.
