SPECIFICATIONS

Overview

Rascal is a very special little Downeast picnic boat, having been significantly refit (at a cost of over \$65k) by the original builder CW Hood Yachts in 2015, at the request of her current owner. You will appreciate many of her notable upgrades, not least of which include a bow thruster, custom aft bench seating, shore power, battery charger, 110v panel, 2019 Raymarine chart plotter, dripless shaft seal, and beautiful Awlcraft paint. Designed with timeless lines and boasting a smooth and efficient ride, Rascal is a fantastic little “pocket yacht” well equipped for day boating, but with the basics to escape for a secluded weekend adventure. Built to the highest level of laminate construction and woodwork, Rascal will turn heads, and hold her value for many years to come. A modern classic, this zippy little cruiser will impress with her 22 knot top speed, but is incredibly efficient with a range of 340 nautical miles at 12 knots burning only 3 gallons per hour.

Basic Information

Category: Motor Yacht

Model Year: 2007

Year Built: 2007

Country: United States
