## Overview

---

One of Marquis Yachts' greatest accomplishments is the 630 Sport Yacht, with sexy lines and all the comforts of home. This was the premier 63 built by the factory and fully optioned. Docked Wages is a great example of a well-built, American-made vessel with the sleek styling you'd find on a European-built boat. She boasts three comfortable staterooms and 3 heads, along with crew quarters aft. With her joystick docking and ease of maneuverability, she also makes for a great owner-operator vessel. With the current owner's change in plans, she is offered for sale and is aggressively priced. Don't wait, bring all offers!
