Overview

At first glance of the Leopard 48, one finds an ear-to-ear smile appearing on their face. The ultimate performance

cruiser is your first thought followed by where am I going to go first. My guess it will be one of our local channel

islands because this is the first and only Leopard 48 on the West Coast of the United States. "Rubber Ducky" is

clean, and well equipped, when viewing take notice electrical system, spare parts inventory, anchor gear, and

communications. It's here, it's now, and what you have been searching for! She will not last long, easy to show!
