## Overview

---

### KEEN SELLER!

### KEY FEATURES

- Timeless design
- In perfect condition
- The sky lounge can be converted into a stateroom
- Fast cruising
- Generous spaces
- 6.15 m cirrus tender

SEDATION is one of the renowned Dutch yachts known for their quality. Built-in aluminum to a design by Omega Architects, she offers space, volume but also fast cruising.

Her neutral interior comprises of five staterooms including a full-beam main deck master with a study and full-beam bathroom. Each of the four guest staterooms on the lower deck offers generous space along with its own en suite bathroom. The main deck salon offers three separate areas to relax and dine, while the sky lounge can convert into a double stateroom with its own en suite bathroom.

The calm and exclusive Omega Architects design is immediately noticed upon entering the saloon with the warm tones from the natural teak complimented with ample light from the large windows making it elegant and yet cozy at the same time. Further forward is the dining area, with seating for 10 guests and very luxurious Fendi furnishings. Served on a very noble and little-used Versace tableware. The combination between the wooden tiles and the white wall and ceiling panels offers a first-class feel-good atmosphere. Each stateroom has its own bathroom, which by a combination of marble and teak wood exactly matches the comfortable features of the entire interior design of SEDATION.

The master stateroom is located on the main level and is entered through the master's office. The full-width master stateroom offers a King Size Bed, high light intake through the large windows as well as a second office and a seating area.
