Overview

"Sanctuary"

Stunning Horizon PC 60

Luxury power catamarans were designed to create the ideal yachting experience for the discerning yachtsman. The open layout, elegant styling and exquisite attention to detail Horizon Yachts has captured features and amenities found in much larger yachts.

The design team has captured a perfect blend of stability and hydrodynamic hull form for maximum fuel efficiency, speed and comfort while under way.

Once you step aboard one can easily imagine relaxing and entertaining family and guests from the large open aft cockpit. With large double sliding doors opens the cockpit into the main salon and galley creating a massive indoor / outdoor gathering spot. The sprawling owners stateroom located just forward the main salon with 180 degree forward facing windows creates an ideal retreat. VIP suite located to starboard with ensuite accommodation's sea view window will make any guest feel warm and welcome. 3rd cabin is located to port with two single berths that can easily convert to a double. The adjacent head with enclosed shower easily doubles as a day head. Crew quarters are to starboard and below the galley.

"Sanctuary's" Flybridge is an impressive area to gather while underway. With 360 degree panoramic views, dinning table that can easily seat your family and guests. Bar area with sink, refrigeration and BBQ easily converts the flybridge into an additional outdoor dinning area as well.

To truly appreciate "Sanctuary" is to come take a private tour.
