## Overview

---

It all began in 1992 with a handful of experienced and dedicated craftsmen who shared a powerful dream of creating a company that would design and build the strongest, safest, and most reliable boats on the water. Today that dream is a reality at EdgeWater Boats. We manufacture the best center console boats for fishing and families, luxury yachts, and family-friendly dual consoles on the market. We separate ourselves from any other boatbuilder with our Single-Piece Infusion process, a closed-molded vacuum resin infusion process, which achieves a perfectly-weighted hull every time. In addition, our partnerships with Yamaha outboards, Garmin Electronics, and Seakeeper put us over the edge in the latest technology.
