SPECIFICATIONS

Overview

The 125' (38.10m) Quantum was built by Broward Marine in 1989 with refits in 1995, 2015, and 2022. She was the first Broward to be ABS certified and remains fully in class today. She accommodates up to 8 guests in 4 staterooms, plus up to 6 crew.

As soon as you walk on board you are immediately struck with her spaciousness, which is much more than you would expect from a vessel of this size. Her galley-down configuration allows for an impressive master suite forward on the main deck that features a king-size bed, his and her en-suite bathrooms, vaulted ceiling, large lounge area, dressing table, and walk-in cedar closet.

Quantum's skylounge has a full wet bar with barstools, flat-screen TV, and comfortable lounge area. Her sun deck features a hot tub as well as additional seating and lounging areas perfect for taking in the sunsets.

Twin Detroit Diesel engines with 1,400hp each provide a cruising speed of 15 knots and max speed of 17 knots. Her 2022 refit included new hull paint, a massive AV system upgrade, a new Jacuzzi, and new bottom paint and Prospeed. KEY FEATURES:

- Accommodates up to 8 guests in 4 staterooms including an impressive on-deck master suite, plus up to 6 crew
- Extensive refit completed in 2022 including new hull paint, massive AV system upgrade, new Jacuzzi, new bottom paint and Prospeed, new AC and new batteries
- The first Broward to be ABS certified - she remains fully in class today
- Skylounge with a full wet bar, flat-screen TV, and comfortable lounge area
- Twin Detroit Diesel engines with 1,400 hp each
- Max speed of 17 knots and a cruising speed of 15 knots
