Overview

Built in 2020 by Azimut Yachts, SOLSTICE is a modern and stylish Azimut 72 Flybridge. She features 4 double guests cabins, all en-suite (rare on the market!) and one of the largest flybridge in her size and league.

Owned by the same owner since new, full option, with low hours, the yacht has always been professionally crewed and maintained with no expenses spared.

Her interior is decorated with desert oak and mahogany gloss, enriched with steel inserts which offer a very design style. If you wish to acquire an elegant yacht with an impressive flybridge, Solstice is most probably one of the best options on the market.
