SPECIFICATIONS

Overview

2019 Riviera 525 SUV

Finnish Strong is a 2019 Riviera 525 SUV that has been impeccably maintained by her original owners. Riviera's reputation for marrying handcrafted luxury with state-of-the-art technology sets this yacht well above her class and the build on this yacht exemplifies the best of these attributes.

The owners have equipped her exceptionally, starting with upgraded Volvo Penta D11 engines with IPS drives, which in addition to a flat running profile and quiet underwater exhaust, gives her a 400nm cruising range at 25 knots and a top speed of 31 knots. She comes outfitted with upgrades throughout, including a SeaKeeper gyro, AIS transponder, 30 gallon per hour water maker, and a Volvo glass cockpit featuring two large 17' Garmin Multifunction screens.

There is an expansive open cockpit and large storage areas, where you can easily switch between diving, snorkeling, fishing, or group entertaining. There is even a covered mezzanine with a beautiful teak table when you can relax out of the sun or weather.

The interior salon features a comfortable multifunction lounge and dining area that is perfect for entertaining, dining, lounging, or even additional sleeping. The lounge sofa converts into a cocktail or coffee table in moments. The large windows, dual sunroof and fully retractable aft window allows a 360-degree view of your surroundings.

Retreat downstairs to the three light filled staterooms and two designer bathrooms to retire, unwind and restore. Featuring two full queen staterooms and a twin stateroom, with large hull windows, hanging closets and astonishing storage, these accommodations will not disappoint.

These yachts rarely come up for sale and Finnish Strong is one of the best opportunities to own one of the finest built, optioned and impeccably maintained yachts in its class.
