SPECIFICATIONS

Overview

“CHATO” is a thrilling project for a passionate owner. Built in 1987 by the notable Italian shipyard Baglietto with genius Alcide Sculati as designer who was later in charge of the infamous “Destriero” atlantic record breaking yacht. “Chato” is still a dream for all who are passionate of this shipyard, inimitable in the perfection of classical lines and performances. Fitted with two MTU engines and hydro jet as propulsion it is still today on the top ten fastest superyachts, 35 years after launching.
