Overview

2017 Chaparral 210 Suncoast

In the past 50+ years we've built scads of different 21-footers and none - and we do mean none - impress like the phenomenal 210 SunCoast. The boat flat out gets it. The ride of a lifetime starts with rocket ship acceleration, motors into a responsive rock-solid cruise range then goes beyond exciting at full throttle. With the hammer down, the perfectly balanced 210 SC literally "hangs" in a ride-on-rails attitude that's fast, sure and simply amazing.
