## Overview

---

### Outside:

The boat features a standard layout. Generously-sized side corridors journey forward to a centrally positioned windlass. Entryway to the cabin is situated at the front of the cockpit, under the protection of canvas dodger and Bimini sheltering the cockpit.

### Cockpit:

The cockpit situates the helm at its center. The salon gateway is situated forward and is shielded with a dodger. After the helm, the bench seat is designed to swing open for access to the swimming platform, equipped with an easy-access, foldable stainless-steel ladder.

### Inside:

The inside of the vessel utilizes a standard floorplan, featuring a sizable salon with ample seating and storage space. The galley is situated on the starboard side, opposite the Nav station across on the port side. The forward cabin features a V-shaped berth offering sizable storage in the lockers and cabinets.

The bathroom and shower are located behind the Nav station on the port side, with alternate access from the rear cabin.

The rear cabin hosts a large berth placed broadside, featuring access to the bathroom on the front left side.

**Engine Room:** This section can be accessed beneath the salon stairs, featuring a single auxiliary motor that allows great accessibility for maintenance work.
