## Overview

---

Balam is a prime example of this celebrated model from Fountaine Pajot. Widely known for its charter-friendly layout and solid sailing performance, any Saba 50 is in high demand. Balam has the added value of being a proven financial performer in the West Coast Multihulls Mexico charter fleet, operating out of La Paz with a dedicated full-time captain and crew. She comes with all required documentation and permits for chartering in Mexico, if the new owner chooses to continue. This fully-equipped six cabin/six head adventure platform is perfectly suited to captained charters in the Sea of Cortez, and the owner could use the boat as much, or as little, as they may choose, while substantially offsetting the costs of ownership. She has never been bareboated, making her maiden voyage across the Atlantic from France as part of the ARC Rally fleet in 2017, and then on to Mexico. Shortly thereafter she was placed in charter with WCM, and has been well cared for ever since. She's a turn-key charter business opportunity!

More photos available upon request.

## Basic Information

---
