Overview

2022 Jeanneau Leader 12.5

The beautiful Leader 2022 12.5 features a new and unique hull with infusion technology. Stringers and the hull are molded into one piece providing more fiberglass and less resin. With 21 degrees of dead rise at the transom, the deep-V hull design has a sharp entry, two lifting strakes, and a spray-reducing chine that extends the full length of the hull, providing predictable handling and exceptional comfort across a wide range of conditions.

Twin cockpits on the main deck, ahead and behind the hardtop-protected helm console, offer flexible seating, sunning and dining options in open-air surroundings. A wide walk-around deck to port leads to the forward cockpit, which offers raised triple chaise lounge seating facing forward with additional bench seating in the bow. Down below, the Leader 12.5 interior is air-conditioned, allowing for overnights aboard. The fully equipped galley is complete with a ceramic cooktop, fridge, optional microwave, plus storage. Forward the salon seating transforms to a king-size bed while amidships owner's cabin also has a filler cushion to create a full-sized king bed. To starboard, there is a spacious enclosed head. Four is a useful tree option added by the seller:

- Installation reverse flushing system
- Generator fuel reader integrates to the Garmin
- Closing kit for T-top (Enclosure)
- Light Deck Matting

Basic Information

Category: Boats

Model Year: 2022

Year Built: 2021

Country: United States
