SPECIFICATIONS

Overview

Diego Mateo is a sought after Prairie 29 trawler designed by Jack Hargrave, who helped design the early Hatteras Yachts. She is in good condition for her age. She features a fuel efficient 2004 150 HP John Deere 4045 diesel with only 1700 hrs, Generator, Bow Thruster, New 16,000 BTU Marine-Air HVAC system, Autopilot, Garmin Chart-plotter and much more. (Please see all the details and photos)

The current owner bought Diego Mateo in 2021, after shopping for years, to begin the Great Loop when he retires in 2024. "Sound Alibi", as she was named previously, had been maintained by a marine professional for 17 years. The previous owner kept her at his home, regularly updated and serviced the vessel and is available for consult upon purchase. A major refit was done 2003-2004 including new engine, fuel tanks, water tanks and head re-build.

Diego Mateo's current owner has continued to care for the vessel and has enjoyed cruising her locally. Now that they intend to entertain guests during their loop the couple has found a larger vessel and offer Diego Mateo for sale. She is available to see by appointment in Southport NC. Please see photos and Full Details below. All manuals and Maintenance/receipts going back 18 years are available upon acceptance of offer.

Basic Information

Category: trawler

Model Year: 1980

Year Built: 1980

Country: United States
