SPECIFICATIONS

Overview

MY JAAMB is a sporty boat that can be enjoyed with family or friends thanks to her smart layout with two guest cabins, two bathrooms, a saloon, a galley and a great outside space. With 2 Volvo IPS D6 600 engines and a Volvo joystick, she is the perfect combination of comfort, performance, maneuverability and efficiency. Delivered in late 2015 to its sole owner who has kept her in immaculate condition, she has always been serviced at Rodriguez Shipyard in the SOF.

On the main deck, M/Y JAAMB offers great seating with sunbeds above the tender garage and on the foredeck. Inside the cockpit there is a comfortable C-shaped couch, a wet bar and an electrically operated canvas sun roof.

Below, the spacious full-beam master cabin is located at the aft of the boat. There is an ensuite bathroom and reading couch. The forward cabin with its scissor berths offers the possibility to convert a double bed into two singles. The galley is well equipped with all the amenities one can look for: a fridge, a freezer, a dishwasher, ceramic hobs and a microwave/grill.

The garage can host a 3m tender that can easily be launched thanks to the hydraulic platform. There is sufficient room to also store a few additional toys.

This is an ideal 50 ft open boat to cruise the Mediterranean Sea.

Basic Information
