SPECIFICATIONS

Overview

Sleek and cool inside and out, the modern Anka 45 Coupe is a new boat from a custom superyacht builder known for yachts over 100', but now in a 45' cruising package. She offers a luxurious blend of thrills and low-key relaxation. With a spacious stateroom, ample outdoor space and generous battery life, the 45' is ideal for overnight stays and private adventures. Equipped with Yanmar diesels with shafts, she draws less than 3' of water and cruises around 22-23 knots.
