Overview

New Grand Trawler 62: In Stock Now

Key Features:

- Full Displacement hull with a 18ft beam carried forward. The most interior volume in its class.
- 1000 NM range at 9 knots. 20 plus knots max speed.
- MAN power, with Joystick piloting.
- 4 stateroom 4 head layout.
- Gyro stabilization.
- Optional crew quarters for 2.

The Grand Trawler 62 has a consensus among clients of having the most classy layout available in the Fort Lauderdale Boat Show 2022. Spaciousness and comfort align in front of multiple viewpoints to relax and take in the scenery: whether in the Salon, up on the Flying Bridge or in the Master Cabin.

With the experience of producing more than 1300 Swift Trawlers, Beneteau has finally expanded the concept into the 60' range creating "The Ultimate Voyaging Yacht". The generous interior volume has been cleverly balanced by creating large open social spaces, alongside bright and comfortable private spaces of the cabins. Matching these accommodations with the efficiency and autonomy to support long distance remote cruising, the new Grand Trawler 62 will allow you to explore non-stop and uninterrupted for days on end in pure luxury.

Intentionally designed to keep you connected to the sea in all its spaces, this yacht features an immense lounge salon, separate galley, raised helm station, a unique terrace to the sea on the transom, and a full beam owner's cabin reminiscent of a luxurious hotel suite. But of all the spaces, the flybridge may be the most impressive. With incredible views, a retractable sunroof in the hardtop, full galley, dining table and separate lounging areas, the flybridge will make every voyage a memorable experience.

CALL FOR VIP INVITATION TO PREVIEW THIS YACHT BEFORE THE FORT LAUDERDALE BOAT SHOW!!!
