Overview

2018 "Boat of the Year" - Most Innovative - Cruising World

Sun Odyssey 440's high performance platform incorporates a full length chine hull with NEW "Scow Bow" design. When sailing the new 440 the bow stays "up" into the wind and rises slightly as she floats and skips thru waves and seas - unlike anything in the market today! Its resistance, stability, and secure cockpit make it a faithful companion on longer crossings. With this next generation hull form evolution, Jeanneau has created a sailboat with tremendous buoyancy forward yet **sleek and fast thru the water**.

The new 8th generation Sun Odyssey 440 benefits from an **entirely new, innovative layout** for greater ease of movement and livability. Central galley with all storage low in the boat for **reduced CG and better sailing**. True rectangular berths in all 3 cabins with **ample headroom** throughout. And the open concept interior is bathed in light, as the main salon features a multitude of windows and hatches. The **huge cockpit** is perfect for entertaining guests. The **all-new cleverly designed sloped side decks** make for surefooted passage around the cockpit and up to the foredeck.

LLC Owned and fully loaded this extremely clean 440 Sun Odyssey specs out new with today's pricing for **\$650k!** Start your cruising season now without the added expense, commissioning or waiting period.

Factory Options include:

- *3-cabin / 2-head layout*
