## Overview

### 5KW Genset, Low Hours, New Canvas, and So Much More!

**Escape** is a clean and very well equipped version of the extremely popular Catalina 350. She was a game changer for Catalina with a 13' beam that makes her interior feel like a 40 footer. There's a reason this design was so successful!

She's got a low hour Northern Lights generator and loads of new equipment. Her original owner definitely spec'd her out to be fun to sail with a full batten mainsail with electric winch for effortless handling, an adjustable backstay and Garhauer E-Z Glide adjustable genoa cars.

If you are looking for a manageable, capable, fun to sail, very well engineered sailboat under 38' then you must have a close look at Escape.

See the full specs for complete details on this comfortable and fun cruiser.

### Highlights Include:

- **Universal M35B Diesel w/ 585 hours**
- **Northern Lights 5KW Genset in Sound Shield (758 hours)**
