## Overview

---

### Jeanneau Leader 10.5 S2

LEADER 10.5 S2 - In a totally revised version inspired by the new 12.5, the *NEW* Leader 10.5 Series 2 replaces the previous generation 10.5 launched five years ago. This incredible new boat features an all-new running surface and the entire hull is now vacuum-bag resin-infused bringing more strength and more rigidity to this sport boat.

### ON DECK

As we continue to think outside the box, the new 10.5 features a lot of the design and comfort elements offered on her larger sister the 12.5. The forward cockpit now has 3 integrated chaise lounges that are safe and comfortable for seating underway or at anchor. Move to the back of the boat and the cockpit brings incredible versatility to cater to the needs of the entire family spending a day on the water or a couple off to explore for a long weekend. The outdoor galley located just behind the helm seats faces the cockpit seating and includes a fridge, electric grill, sink, and either a livewell or additional storage. Optional flip-down benches on either side create a U for the days when you feel like entertaining!

A key feature of this new Leader 10.5 is the standard opening terrace on port, equipped with an optional ladder and guardrails; it will prove to be the perfect spot to jump off the boat from. Finally, its oversized, stylish, and fully equipped optional T-Top will provide you the shade and the functionality you need for an awesome day on the water.

Will be on display at the Palm Beach International Boat Show March 21<sup>st</sup> to 24<sup>th</sup> 2024 on Ramp 7 at the InterMarine Booth
