## Overview

---

HEATHERSTREAM is one of the world's most beautiful 40 knot sports cruisers, its dazzling finish is so beguiling, its lines so perfectly balanced that it defies belief that anyone could have designed something so beautiful. This impressively engineered 44ft (13m) beauty is brimming with exquisite, practical detailing, designed to make life on board as easy as possible.

HEATHERSTREAM offers plenty of sturdy handrails, extra spring cleats and a sophisticated electronically controlled bimini that hinges beneath the deck mouldings when not in use. If you had been a motor boat designer, this is perhaps what you would have come up with.
