Overview

JEANNEAU LEADER 9.0 WA

INSPIRED AND ON TREND

The new **Leader 9.0** revisits the concept of the 8.5, a sporty boat with a family/friendly spirit, which has been a great success. With her pure, streamlined design inspired by the Leader 10.5, her look is decidedly on trend!

Her traditional V-shaped hull was designed by Michaël Peters. Stable and powerful, her hull ensures excellent seakeeping and very secure handling at sea for family cruising or sporty outings. The layout and spatial organization of the **Leader 9.0** make her the ideal boat for day trips or weekend cruises. On the exterior, the vast cockpit benefits from a helm station with seating for two, a portside galley and numerous storage options.

On the interior, the new **Leader 9.0** will delight all those who appreciate full comfort: she features a very large double berth, a salon that also converts into a double berth, a head compartment with separate shower, a breakfast nook and copious storage.

Perfect for family cruising, this new model also features long windows in the hull for an extremely bright interior.

Will be on display at the Palm Beach International Boat Show March 21st to 24th 2024 on Ramp 7 at the InterMarine Booth
