Overview

1984 Nordic 26

This model is still in production, it goes “Once you have something that works, why change it”!

Believe is a robustly built trawler style tug with attention to sea kindness as well as crew comfort. A feature of the Nordic 26 is the 360-degree view from the pilot house. The Yanmar 4JH3-HTE has been factory rebuilt with less than 100 hours on it. The Yanmar 4 cylinder is very efficient, providing for a longer travel radius, making **Believe** a great boat for Keys trips. **Believe** also has a new rebuilt 3.5KW diesel generator which can power all item on board including the reverse cycle air condition and heating. This boat offers solar power for battery charging, new bottom paint with zinc replacement, new refrigeration with freezer, Garmin 4212 Radar/GPS and satellite TV.

Believe is well cared for and is ready for a new adventure.
