Overview

Available Now For Convenient Showing! Very Clean Shoal Draft 340 With Very Low Hours

“Makani” is a Hunter 340 which remains one of the most popular cruisers ever produced by Hunter Marine, providing excellent sailing performance, a large and comfortable cockpit with a walk-thru transom and great accommodations below.

Whether sailing for the Bahamas or exploring the Keys, the Hunter 340 is outstanding. Starting with the tall, fractional rig, Hunter has engineered the mast to carry less weight aloft with smaller sections. This is accomplished by utilizing swept-back spreaders and reverse diagonals as well as mast support struts. This combination provides superior strength without a backstay and increases stability at the same time. By using a large roach main sail, Hunter has eased the effort in sail handling and provided real versatility for all wind and sea conditions. The deck layout reflects the innovation that accompanies the rig. An integrated arch protects the cockpit from snapping main sheets and blistering sun with a bimini cover. This arch keeps the cockpit clear and open, where a custom console stands ready with the standard VHF and instruments. Single lever control and fold-down table, along with engine instrumentation, complete the helm pedestal. The swim platform and walk-through transom complete with shower and folding ladder are perfect for swimming and water sports. Storage is everywhere you look and comfort is truly important whether you're on the boat for a week or a year, so Hunter has created an air-conditioned interior that not only looks good but works for you as well. Two private, large staterooms along with an enormous head with shower, a salon that can seat eight, and a gourmet galley will keep all the crew happy.
