SPECIFICATIONS

Overview

Board the yacht by its stainless steel and teak laid hydraulic gangway at starboard-side and you enter a large cockpit with ample space for up to twelve people while cruising. The cockpit offers you a flat out teak laid deck with sun bathing area aft, three sofas including one sofa at starboard-side which can be moved towards the large teak varnished dining table. Forward and beautifully integrated, you will find the impressive cockpit helm station with seating capacity for up to three people. The teak laid side walks are large and lead to the forward deck where you find the second sunbathing area.

The hull is painted in Riva shiny silver metallic, while inserts and the entire superstructure are painted in black metallic which together, with the many stainless steel accessories, offer a beautifully distinctive and timeless impression. The interior decor follows the same timeless design with bleached oak and dark satin wenge wood, leather inserts combined with cream leather upholstery, simply beautiful and in new condition throughout. The salon offers an open galley layout opposite the large dining table. You can sleep up to six guests in three double cabins with three bathrooms. Aft of the cockpit, you will find the crew cabin and a large garage for the specially designed Riva 4-stroke jet tender measuring 3.20 meters in length. MY COUCA is in mint condition throughout, and in turn key condition to start cruising with its new owner.
