## Overview

---

She is an express cruiser with a flying bridge on top. Simply gorgeous interior space by Luis de Basto with plenty of room for entertaining or relaxing. The Cheoy Lee Alpha 76 performs with excellence and boasts many upgrades.

The galley and dinette are forward of the master suite and benefit from the atrium light created overhead by the threepanel windshield. Prepping breakfast in the large U-shape galley while the sun streams in from above before heading out for an early morning snorkel will be a joy.
