Overview

The Burger 180' Motor Yacht, currently under construction and available for sale, is an exceptional opportunity to purchase an exciting example of Burger's creativity. Powered by twin Caterpillar 3512C IMO Tier II engines, she has a range of 4,000 nautical miles at 12 knots without the need for the costly SCR's required on Tier III engines. In addition, the Burger 180' Motor Yacht features spaces that are typically found on much larger yachts.
