## Overview

---

**New to the Market! This is a 34 Mainship Motor Yacht that is priced to sell and in great condition.**

Built on a solid fiberglass hull with a wide beam, this moderately priced family cruiser is aimed at those who want the absolute maximum living space possible in a small motor yacht. Topside, lounge seating surrounds the center console with space for at least three behind the helm and seating for at least six more around the perimeter, helm area on bridge for easy visibility especially when docking, and a walk-through in the forward bridge area provides easy access to the large foredeck. Additional features include an aft deck wet bar with small fridge, hardtop, molded steps to the bridge and swim platform, molded-in side boarding steps, and a radar arch. No ladders to wrestle with on this vessel. The spacious accommodations below deck show how well space is used on board. You've got a wrap around booth style galley table set up. The galley is set up as a down galley, with a Black & Decker coffee maker, Proctor Silex microwave/convection oven, fridge with freezer, and ample counter space for a 34 ft motor yacht. The carpeted salon makes for a more quiet ride and has two comfortable bucket chairs for relaxing and viewing the entertainment area with a Vizio Flat screen, as well as easy access to the engine room. There are two spacious sleeping quarters aboard the vessel, one being forward and one aft, both with full heads.

**She's ready for a trip! Call today for a showing and be out on the water in no time!**
