SPECIFICATIONS

Overview

1995 Sea Ray Sundancer with twin 420HP Cat 3126 Diesel engines, replaced in 2006 with less than 1500 hours!

This is the perfect boat for escape to the Bahamas or local cruising. The current owner has kept the boat well maintained and ready to cruise. She has a diesel Kohler 9KW generator that provides plenty of power to keep the air conditioning cool and the ice in the cockpit ice maker maker frozen!

Since 2017 the current owner has replaced/added:

- Goode anchor windlass.
- 220 foot rode, the first 20' chain.
- New dash panels around instrumentation.
- New gauges and switches
- New electronics including radar
- Converted running lights to LED.
- Replaced the generator heat exchanger.
- Installed new PSS dripless shaft seals.
- New canvas.
- New sea cocks and related hoses.
- New bottom paint in 2019.
- New cutlass bearings.
- New stereo and speakers.
- Engines regularly serviced with oil/filter changes.

This boat is also very well set up for entertaining friends and family! Large cockpit seating area, with removable table, allows the whole gang to congregate and share a meal and or cocktails. The hull and deck area have been freshly buffed and waxed to a glowing finish.

Down, through the door, inside you will find two cabins and two heads, providing privacy and comfort when travelling with friends or children. The master head is spacious, with a Vacuflush head and separate shower stall. The second head is a "wet" head. The galley has plenty of work space for the chef as well as a 3 burner electric cook top, built in micro-wave oven, coffee maker and an under-counter refrigerator/freezer.

The aft cabin can be set up two different ways, one with a sunken conversation area with a removable table and the other with a bed.

The helm station is well serviced with both Raymarine radar and electronics as well as a separate Garmin MFD system to provide redundancy and the luxury of multiple screen information at a glance!

All these features and value at a VERY attractive price.

Basic Information

Category: cruiser

Sub Category: Express

Model Year: 1995

Year Built: 1995

Country: United States

Dimensions

LOA: 45' (13.72mm)

Beam: 13.91
