SPECIFICATIONS

Overview

You'll immediately recognize that Me And The Boys has fantastic dockside appeal because of her shining new paint and the new teak that is perfectly manicured. The interior is odor free, leak free and doesn't have any milky wood. The engine room is absent of corrosion and she only has 1950 original highly maintained hours. Go ahead and dare to look up (above your head where the tower metal is usually corroded) and you'll recognize a boat that has been maintained to a standard of excellence. Both the owner and the Captain have clearly worked together as a knowledgeable team to make this 60GT a standout. You'll look long and hard to find another that, if you're lucky, will even compare.

If your looking for a turn key, captain maintained, sea busting machine, this is your rig.
