## ХАРАКТЕРИСТИКИ

### Обзор

Water Song is a 2005 Sea Ray 420 Sedan Bridge. She spent most of her life in fresh water before doing the great loop with her previous owners in 2020-2021. She is decked out with an inverter and plenty of batteries. She has just had her running gear maintenance, fresh bottom paint, and a full detail. Her 1000 hour service was completed in early 2022. Her layout offers easy boarding and plenty of entertainment space at water level. The hydraulic swim platform is a fantastic upgrade and makes for easy dinghy launch or a place to play in the water.
