SPECIFICATIONS

Overview

The stunning all-new 76 Yacht gives you everything you'd want from a Sunseeker, and so much more.

Performance, style and space – the all-new 76 Yacht is unmistakably Sunseeker from the exceptional sea-keeping of the very latest deep-V hull design to the class leading space throughout her beautifully appointed decks – this incredible new yacht is without doubt the new benchmark for her class.

Not only does this model cut an impressive silhouette on the horizon, an expanse of glass and sunlight welcomes you on board the 76 Yacht, and the main deck allows you to entertain with an almost 360 degree view of your surroundings.

For life 'al fresco' her exterior decks provide unprecedented levels of space and flexibility that can be adapted to suit any needs.

The 76 Yacht's impressive layout continues out on the foredeck, where again space is maximized and large twin sunbeds, fore/aft seating and optional refrigeration ensure this a highly sociable area too.
