SPECIFICATIONS

Overview

A powerboat built by World Cat, the Glacier Bay 2780 Isle Runner is a proven displacement hull design. With a three sided windshield enclosure and aft cockpit glass curtains, the 2780 protects you from rough seas and rough weather with a silky-smooth ride and 360-degree visibility while seating 6 adults on the 35sf of protected bridge deck when underway. Clear the aft decks for early morning fishing with current Garmin electronics including 18XHD radar, rod holders, big fish boxes, even a 20-gallon live well. Pull out the wine and cheese in the early evening and take a sunset cruise around the harbor. The twin 150hp Suzuki outboards (max hp) run great and push the boat along very efficiently.

Basic Information

Category: Catamaran

Model Year: 2015
