Measuring 48 feet in length, it features a spacious and elegantly designed interior with two staterooms, each with a private en suite head, and a large salon with a fully-equipped galley and comfortable seating areas.

In addition to its impressive features, it's worth noting that the 2019 Galeon 485 HTS is a single owner vessel, making it a unique and well-maintained vessel that is still covered under manufacturer warranty.

The exterior of the yacht is equally impressive, with a modern and sporty design that includes a large cockpit area with a retractable sunroof and ample seating for entertaining guests. The yacht is powered by a Volvo Penta IPS propulsion system, which provides excellent handling and maneuverability, as well as impressive speed and fuel efficiency.
