---

Come take a look at this lightly used Sea Ray 270 Sundeck. It has been serviced, manifolds and risers changed out and it is ready for the boating season. It is powered with the desirable Mercruiser 383 Stroker Magnum mated to a Bravo III Outdrive. This one sits on a tandem axle Load Rite Aluminum trailer. The passenger-side console houses a lockable head with sink and opening port and to starboard behind the helm seat is a well positioned wet bar with sink and insulated cooler with drain. Lots of storage under the seating and in the floor plus a compartment under the helm console large enough to take a nap or used for storage. It also comes with a Bimini top that folds back into a boot when not in use.
