## Overview

---

The Regal 38 Grande Coupe puts a positive spin on the traditional express cruiser by replacing the maintenance-heavy canvas with a hard top that has a massive opening sunroof built-in. Correctly labelled a sport yacht, her single level layout increases the living and entertaining space between the large aft deck and the spacious and bright salon. The aft deck has an L-shaped upholstered sofa to starboard, with the entry from the swim platform being to the port side. The outdoor entertainment center is at the same level as the indoor galley counters, making for a seamless blend between the two when you lower the large electric window and slide open the cabin doors aside to starboard. The hardtop overhang makes this space all seem like one plus it also has the canvas full weather enclosure that allows year round use of this area. The helm features excellent visibility and top shelf electronics, single lever engine controls plus the joystick docking feature and autopilot. There's an L-shaped sofa to port and a second sofa behind the Captain's Chair and features a 32" Flatscreen TV that lowers from the ceiling electrically. The forward stateroom is the master and features an island California Queen sized bed with access from both sides and a generous amount of storage underneath. The head is spacious, split between two rooms: one for the head and one for the shower. It allows for two people to change or get ready at the same time. The aft guest stateroom features twin single beds or a full size king bed, a settee, and large side windows that make the cabin space very bright. This one has too many options to list here but click on full specs for details. This one is turn key with fresh bottom paint so call today and be on the water this weekend!

## Basic Information

---
