SPECIFICATIONS

Overview

A new hull paint and engines overhauled in '14. It is hard to explain how many detailed improvements this vessel has received from her owner. Making this Tiara perfect is a passion that this owner will not let go of, when not making improvements he is researching improvements. From the windlass on the bow to the boarding ladder on the back of the swim platform, everything works flawlessly or it is replaced, rebuilt or engineered. Spotlessly perfect condition from bow to stern, keel to top of navigation light. Must be seen to be fully appreciated!
