SPECIFICATIONS

Overview

Step into the world of luxury yachting with SCRATCH, a stunning vessel that offers an unrivaled combination of performance, style, and comfort. This sleek and sporty yacht is the epitome of Italian craftsmanship, with a design that turns heads wherever it goes.

Measuring 92 feet in length, Scratch boasts a striking profile that exudes elegance and modernity. Its sleek lines and streamlined silhouette are complemented by a metallic silver hull that adds a touch of sophistication. With its sporty look and powerful performance, this yacht is built to impress.

Featuring a spacious and well-appointed interior that is designed for both relaxation and entertainment. The open-plan salon is flooded with natural light, creating a bright and inviting atmosphere for socializing with family and friends. The yacht can comfortably accommodate up to 8 guests in 4 luxurious cabins, including a full-beam master suite, a VIP cabin, and two twin cabins, all with en-suite facilities.

Outdoor living is a highlight of a Mangusta 92, with ample deck space that is perfect for enjoying the sun, sea, and sky. The aft deck offers a comfortable seating area for al fresco dining, while the foredeck features a spacious sun pad for lounging and sunbathing. The yacht also boasts a retractable sunroof in the main salon, providing an indoor-outdoor living experience.

Performance is a key feature of the Mangusta 92, with twin MTU engines delivering impressive speeds of up to 35 knots. The yacht is equipped with advanced navigation and communication systems, as well as stabilizers for a smooth and comfortable cruising experience.

Additional features of this 2005 Mangusta 92 include a fully equipped galley, a tender garage for water toys, and a hydraulic swim platform for easy water access.

If you're looking for a luxury yacht that combines speed, style, and comfort, Scratch is a perfect choice. Don't miss the opportunity to own this sleek and sporty yacht that will elevate your yachting lifestyle to new heights.

Recent Work

- The yacht is equipped with powerful and reliable MTU 16V2000 engines, which have recently been serviced, ensuring optimal performance, reliability, and safety during all voyages.
- Both generators have been recently serviced and are up to date, ensuring their reliability and optimal performance. They have been meticulously maintained and are proving to be highly reliable.
- Bottom paint has been completed, protecting the hull from corrosion, fouling, and damage

caused by harsh marine environments, and extending the lifespan of the yacht.

- Hull paint has recently been conducted, giving the yacht a fresh and eye-catching appearance, and making it stand out from the rest of the fleet.
- Brand new built Kawaii Jet Propulsion Systems have been installed, providing cutting-edge propulsion technology for improved speed, fuel efficiency, and maneuverability, and delivering a smoother and quieter ride for guests.
