Overview

LUCY PENGUIN, a 60' Van der Valk 2019, was crowned 'Most Innovative Yacht' in her category as part of the World Yachts Trophies in 2019. This is seen in her remarkable amount of interior and exterior space due to the clever location of the engine room, which is found below the swim platform. You'll find various comfortable places to relax and take in the views, whether it's the foredeck entertainment area, the spacious upper deck lounge area, or the expansive swim platform beach club. Bring the outside world in through panoramic views in each of the lounges and suites enhanced by the generous use of glass. This BeachClub 600 was built to US spec, is duty paid, and was kept in the fresh waters of Lake Michigan until October 2022. Also in 2022, she got new carpet in the interior and a new hydraulic FreedomLift on the stern.
