SPECIFICATIONS

Overview

THE PEDDLER is Hull #7 of the award winning Dreamline 26m from DL Yachts. DL Yachts is a semi-custom and custom yacht builder with headquarters in Fano, Italy. All interiors are bespoke with the owner's working directly with the designers at T4 Design of Venice, Italy. Fabrics, Stones, Woods and Furniture are all selected by the yacht owner making the interior of every Dreamline unique. THE PEDDLER is the first and currently only Dreamline built by DL Yachts for a North American client with a 60 cycle electrical system. The yacht has the GOLD STANDARD 5 YEAR WARRANTY on the MAN engines until July 2024. The yacht has an impressive interior volume of 145GT.

THE PEDDLER's exterior has several different areas for relaxing, dining and sunbathing. All exterior decks and stairs are covered in teak. The aft deck has a built in settee and loose seating for eight to dine and relax. Overhead of the aft dining table area you will notice air conditioning vents to keep you and your guests cool on warm days. Above and aft of the settee is a large sunbed for lounging and enjoying the sun. From the aft deck there is a staircase that leads up to the sundeck and electric doors that open at the touch of a button to enter the main salon. The captain also has engine and thruster controls located under a small hatch on the aft deck for docking. The side decks are wide with high bulwarks for ease of movement and safety. There are port and starboard staircases that lead down to the hydraulic swim platform, tender and water toy garage. The yacht is equipped with a hydraulic swim step and a passerelle for ease of boarding from the water or the dock.

Entering THE PEDDLER through the electrically operated doors into the main salon from the aft deck you will immediately notice the tasteful elegance of the interior. Gorgeous Italian stitched leather and exquisite woods cover the cabinets, walls and ceilings. Hardwood planking is used on the floating floors and low foot traffic areas have silk carpeting bordered with Italian marble. All loose furniture is designer sourced and selected by the owner. The salon has a stress free electric recliner by FSM of Switzerland and an L-shaped leather and fabric sofa by Fendi Casa of Italy. The main dining table and chairs for eight are from Costantini Pietro of Italy. All the china and glassware is stored in hidden cabinets in the dining area. There is a double custom wine cooler, icemaker and small refrigerator. The window blinds all open and close electrically by the use of strategically placed touch pads or the supplied Apple iPad. The sound system, curved TV and lights can also be controlled by the iPad. There are two iPads that come with the yacht, one for the main salon and the one for the owner stateroom. You will appreciate the relaxing ambience, the understated elegance, and comfortable warmth the interior décor that THE PEDDLER emits.

Moving forward from the salon/dining area on the starboard side there is the powder room or day head with a marble sink basin, mirror and toilet. To the port side is the entrance to the galley that is equipped with everything necessary for the chef to prepare appetizers, a multicourse meal, or snacks. There is a port side door located in the galley for the crew to enter and exit the yacht.

This allows ease of bringing aboard provisions as well as private entrance to the crew lounge area below. The crew area has a dinette, crew mess, two crew staterooms for up to four and two crew heads. The laundry is also located in this area with a Miele washing machine and a Miele clothes dryer. Forward of the galley entrance are two staircases, one leading up to the pilothouse and another leading down to the guest accommodations. There is a foyer with a starboard side entrance door and forward is the entrance to the owner stateroom.

THE PEDDLER's accommodations consist of four guest staterooms for up to eight guests. The owner stateroom is on the main deck forward and is a sight to behold with a 180-degree view from the windows. Above the bed with custom a mattress are overhead skylights and all windows in the owner stateroom have electrically operated blinds. The TV electrically raises and lowers in the cabinet forward of the bed and, as in the main salon, the blinds, lights, sound system and TV can be controlled by touch pads or the second iPad for the owner cabin. There is a swiveling leather chair with and a small computer or iPad table. Another outstanding feature of the owner cabin is an electrically operated private side door that allows the owners to access an exterior private lounge area that can be used for sun bathing, dining or relaxing. The owner bath has dual marble sinks and marble shower with built in bench, wand shower head and overhead rainfall shower. There are ample hanging lockers, drawers and cabinets for storage of clothing and personal items as well as a safe for valuables. The décor theme of understated elegance continues in the owner stateroom with fine hand stitched Italian leathers, beautiful Italian marbles, and exotic hardwood and wood veneers on the cabinets, doors, ceilings and floors.

Moving aft from the owner state room we can descend the staircase to the lower deck where you will find the full beam mid-ship VIP that is often referred to as a second owner suite. Built in settee, desk or vanity with a leather chair, safe for valuables and abundant built in cabinets and storage drawers will be appreciated by you VIP guests. Forward of the VIP there are two additional guest state rooms, the port guest stateroom has a queen sized bed and the starboard guest stateroom has two twin beds. All guest staterooms are ensuite and have beautiful marble finishes. All guest staterooms are equipped with TVs and individual sound systems. Every guest bath....Owner, VIP, Port and Starboard Staterooms and main deck half bath is equipped with Usptoilet seats with built in bidets and heaters. All your guests will be surrounded by the same understated elegance and comfort and materials found throughout THE PEDDLER's interior.

Leaving the guest accommodation area on the lower deck we move up the staircase and take a few steps aft to ascend the stair case to the Pilothouse area. There is a single electrically controlled captain chair, touch screen for all ship's systems, SIMRAD display screens for Chart Plotter, GPS, Radar, Sonar, Autopilot. VHF, CMC Electric Fin Stabilizer controls at anchor and underway, Humphree Interceptor Trim Tab controls and the bow and stern thrusters. Moving up another staircase from the pilothouse is the Sun Deck area and upper helm.

The sundeck has loads of seating and relaxing options with a wet bar and bar stools, dining table, jetted hot tub with built in heater, built in sunbed, free standing sun loungers and a hardtop that electronically opens and closes at the touch of a button.. There is a large alfresco dining table with an U-shaped settee and loose chairs for as many as ten guests. Forward to port is another settee for two and to starboard, the upper helm area with two pilot seats and an

electrically raised pod for the display screens. Here, the captain has all the controls and navigational aids that are found in the pilothouse plus a joystick controller of the main motors and thrusters. Aft of the sundeck is a staircase that descends to the aft deck area. THE PEDDLER with a wide beam and overall length is large for a 26 meter motor yacht with an interior volume of 145 GT. The hull features a hybrid design by Arrabito Naval Architects. It is called the Lama Chine Wave-less with principal benefits of lower resistance for better fuel economy, low bow lift when accelerating to planning speeds and a smooth ride at sea. At 10 knots expect a range of 1400 nautical miles and a top speed of 26 knots. If you are considering another builder of motor yachts from 24 to 28 meters, you owe it to yourself to consider THE PEDDLER as your next yacht. You will be impressed.
