SPECIFICATIONS

Overview

Preliminary photos

Launched in 2019, the Sunseeker *Predator 50* is a hardtop enclosed yacht that fully lives up to its name. With its predatory and dynamic exterior, she is an eye-catcher!

For guests, a seating area at the foredeck and a terrace at the stern smoothly transition into the salon. There is ample room for entertainment in the cockpit, upper salon, lower salon, and foredeck. Her open-plan design is enhanced by a retractable hardtop sunroof and patio window, connecting the cockpit and upper salon.

Each stateroom is the perfect blend of comfort and elegance, allowing for accommodations of up to six guests. The hydraulic swim platform makes launching your tender from the integrated garage effortless. (This vessel does not have a tender)

Powered by twin Volvo D8 engines, conventional shaft drive, and the Volvo joystick docking system, bow, and stern thruster make the 50ft Sunseeker easy to maneuver.

This is a must-see if you are after an all-around vessel built to the highest standard for overnight and day trips, entertaining, weekends away, and extended cruising!
