SPECIFICATIONS

Overview

Robalo is well known for exceptional seaworthiness and great features for both sports and fishing. It starts with the center console and a secure driving position thanks to the rigid Bimini top. The dash includes 12" Garmin multi-function chart plotter, Yamaha data display, Clarion stereo and VHF in the overhead locker. This Robalo really speaks the language of fishing, while ensuring family comfort and enjoyment. The foredeck features a seating area with upholstered cushions and a table. Remove the cushions and add the filler piece for a broad casting deck about 18 inches below the low-profile bow rail. Paired with twin Yamaha 250 with just 183 Hrs on each she has plenty of performance.

The European-style transom provides a latching door and an expansive integrated platform for swimmers or scuba divers – with a swim ladder deployable from the standard salt- and freshwater washdowns are also accessible from the platform. The transom holds a 33-gallon elliptical livewell equipped with red LED lights and an overboard drain.

Don't miss a chance to hit the lakes this season ready for any weather and any activity. Call us today to book your private viewing.

Basic Information

Category: Sport Fisherman

Model Year: 2017
