SPECIFICATIONS

Overview

Manufacturer Provided Description

Wherever you go - whatever waters or species you pursue - the 2302 Legacy's rugged hull is up to the challenge. High, flared sides ensure a dry ride for everyone on board. The helm holds a wide station with single Garmin chartplotter, a deluxe leaning post, and rod management with storage for up to 10 rods. At the transom, three-across seating doubles as livewell and cast net storage and under water lighting. A recirculating baitwell and raw water shower round up the fishability attributes.

The 2302 Legacy's stable, wide fishing deck is easily converted to a picnic area with an optional bow table. Comfortable bow seating features extendable back rests that fold flush with the gunnel when the fish start to tug the lines.

Construction

- Wood-Free, Composite Construction
- Limited Lifetime Hull Warranty
- Vinyl Ester Barrier Coat
- Fiberglass Stringer System
- Self-Bailing Cockpit w/ Molded Non Skid
- RTM Fiberglass Lids
