Overview

The 64 Pershing is an iconic model of the Pershing brand and this 2010 Pershing 64 is a project boat ready for an immediate sale to a new owner! The boat has had recent replacement of soft goods, flooring in cabins, stereo upgrade, exterior cushion replacement, drive service, etc. but has a major failure to the starboard engine which requires rebuild. Owner simply wants to sell the boat!

Great opportunity for someone willing to invest the time to make the boat in top running shape again!

More photos coming soon.
