SPECIFICATIONS

Overview

August Dreamer is without a doubt the nicest example of the most popular Seawind 1260 currently on the market today. With factory lead time for a new 1260 out to 2025, August Dreamer will NOT be around long. She is spotlessly clean and has been meticulously maintained since delivered new in 2020. She has spent the last year cruising in Mexico and the Sea of Cortez. She comes with a complete B&G Electronics package including Autopilot, Radar, AIS, and Chartplotter. Included is a 2021 Highfield Hypalon Dinghy 340 with 15hp Mercury 4-stroke outboard. Seawind 1260's are in high demand, especially on the west coast of the USA. Don't hesitate.

Never chartered and LLC Owned.
