SPECIFICATIONS

Overview

We feel privileged to present this astonishing sleek performance yacht.

Aandeel turns head where ever she sails. Her modern, contemporary styling by Adam Voorhees both inside and out is eye-catching.

It took 2 years and \$ 3 M to refit a pedigree S & S racer built-in by Goetz / Derecktor in 1996 from RI to be transformed into a fast confrontable, easy to sail cruiser.

Her hydraulic furling boom, self-tacking jib, furling code 0, winches offer easy shorthanded or single-handed sailing.

Aandeel's cockpit is impressive, spacious, and comfortable. It can comfortably seat 16 making it ideal for inviting friends aboard for a day of fun on the water.

This extraordinary yacht is in excellent condition and needs to be inspected to fully appreciate her high-tech sailing technology and her ease of sailing shorthanded.

Features:

- Harken MKIV Hydraulic headsail furler
- Lewmar 250VRTT 15kW hydraulic retractable bow thruster.
- Maxwell hydraulic windlass RC12-12-LP 1590kg pull
