Overview

FOR SALE - 2016 GRADY-WHITE FREEDOM 375.

"SALT FIX" powered by triple Yamaha F300s was built for a close friend of Grady-White Boats owner, Eddie Smith. If there was ever a Grady-White that received extra attention at the factory, this is it. Every option added during construction, sparing no detail or expense. The boat has never been bottom painted, left kept, and used regularly keeping all the systems operating properly. Always maintained with an open checkbook including regular maintenance, countless upgrades, and cleaned professionally every week. The owner is only selling to move up in size. You will not find a better maintained 375 Freedom. Additional Yamaha engine warranty is available. Please contact central listing agent **Ian Ballantyne** for more details and showings.
