## Overview

---

She is a unique Sailing SuperYacht custom built by one of the finest yards in the world in 2004 and winner of the SuperYacht Sail award for 2005 and many awards since. There is no other SuperYacht that combines the beautiful lines of a classic sailing vessel with the practicality of a useable minimum draft of only 2.1m. Then add a power component that pushes her to 24kts (20 under cruise) and an award winning 5 stateroom interior with exotic woods and design features not seen on any other yacht. Her crew accommodations are an impressive seven with enough galley and support spaces to support Royalty or a very high end charter. She comes with all of the requisite appointments necessary for luxury enjoyment including custom China Service and a fully appointed Galley service large enough for two Chefs. Her modern Chillers (2021/2022) support not only the AC spaces but also the Refrigeration to accommodate worldwide cruising. She has already circumnavigated twice and is All Ocean capable.
